

Welcome to Threshing Table Farm's 2010 Season!

We've been busy preparing for spring. Don't let the snow fool you... Spring is right around the corner! We are expanding our membership from last year's 40 members to 75 this year. Shares are going fast, so if you haven't signed up yet, please do so soon! The ½ share option (a full box, every other week) has been almost as popular as the full share option. See the brochure for more information.

Mike's been busy planning and building a greenhouse that will accommodate the many plants we will be starting in March. Jody took a beekeeping class and is researching as much as possible with the hopes of having a hive this year. The bees will help to ensure even better pollination and as a result, higher production. (And the honey will be a wonderful bonus!)

The 50 chicks that arrived in September have started to lay eggs. We have a lot of brown eggs, \$2 a dozen. If you are interested in some right now, please give us a call and we'll have some ready for you. As always, once the CSA season starts, we'll have eggs on Thursdays at the farm.

We will again be delivering to Dresser, Somerset and have added a Hudson drop-off site. This will be at Hudson Hospital. We also welcome the employees of the Ridges Campus in Burnsville, MN who are members this year.

Keep checking our website for updates. We are trying to go as "Paperless" as possible this year. Our weekly newsletter for the season will be on the website as well.

Please bookmark US and visit often!
